Dear Mr. Goodin,

Thank you for your letter of April 20 and your telephone call. This is to confirm our arrangement for a briefing for 30-50 persons at our Headquarters Building at Langley on the outskirts of Washington, at 1000 hours on Friday, May 6.

As indicated in my phone conversation, we will need as soon as possible but no later than the morning of May 5, the names, with place and date of birth, of those attending. There should be no cameras or tape recorders.

It was nice talking with you.

Dear [Redacted]

As Chairman of Panco, I had hoped to give our members something different in the way of meetings this year, and have just learned that we may have the benefit of a new experience by getting a briefing from a representative of your organization.

We can be available for such a briefing at our May meeting on the 5th, 6th or 7th with a preference on our part of the 6th, and again preferably, the afternoon.

Our membership (composed of Past Commanders of those veteran organizations chartered by Congress) is approximately 100 and such a meeting could be expected to draw from thirty to fifty people.

Because of the shortness of time, would you please call me collect at 615-926-1951 at your earliest convenience and advise a date. I can, of course, at that time discuss any matters pertaining to such a meeting or answer any questions you may have.

Respectfully yours,

John D. Goodin
